## ACKNOWLEDGEMENT

The Racine Raiders football organization has enjoyed its long history of providing entertainment and supporting youth football programs in our community. Our not-for-profit business runs completely on the energy, enthusiasm, and effort of volunteers who give their time to help deliver a high-quality product to you...the fan. All the wins, the scholarships provided, and the free youth football camps over the years are the result of everyone who donates their time in concessions, ticket offices, equipment and “blacktop” crews, broadcast team, etc.

The Raiders’ board of directors, coaching staff, and players - all of whom are also volunteers - give thanks to these volunteers, and you...the fans of Raider football. We’re always looking for the best talent in every aspect of our organization. If you have time and energy you’re willing to contribute to the Racine Raiders please go to [RacineRaiders.com](http://RacineRaiders.com) and complete the “Volunteer With Us!” information under the CONTACTS link.

We’re thankful to you all for joining us for a fantastic 2024 season, and we look forward to a thrilling conclusion in the GDFL postseason.

Go Raiders!

Sincerely,

Board of Directors

**Matt Nelson, President**

**Vinnie Scacco, VP Administration**

**Tom Christensen, Secretary**

**Mike Reth, Treasurer**

# 2023 CHAMPIONSHIP SEASON RECAP

The Racine Raiders' 2023 season was a historic campaign, culminating in a championship that solidified their legacy in semi-professional football. After joining the Gridiron Developmental Football League (GDFL) for the first time in 2023, the Raiders swiftly established themselves as a dominant force. The transition from the MidStates Football League (MSFL), where they previously enjoyed immense success, was seamless. The Raiders captured the GDFL title in their inaugural season, adding a tenth national championship to their storied history.

The team, which boasts a history dating back to 1953, has long been a pillar of the Racine community. This latest championship adds to their already impressive resume, which includes a total of ten national or world titles, making them the most successful semi-professional football team in the United States. The 2023 season also saw the team achieve another milestone, recording their 667th win—the most by any semi-pro team.

Led by head coach Wilbert Kennedy, who is an alumnus of the University of Wisconsin-Stout, the Raiders were not only successful on the field but also in their community efforts. The organization is a 501(c)(3) non-profit, staffed entirely by volunteers, which underscores the deep-rooted connection between the team and its local supporters.

The 2023 season was marked by key victories and standout performances. Throughout the season, the Raiders demonstrated a balanced attack and stout defense, characteristics that have been hallmarks of the team's success over the years. The team's depth was evident in their ability to overcome challenges, including injuries and tough competition, to remain at the top of their game.

In addition to their on-field success, the Raiders celebrated their rich history by inducting six new members into the team's Hall of Fame during the 2023 season. The inductees, who span several decades of the team's existence, include players who were instrumental in past championship runs and have continued to contribute to the team's legacy in various capacities. This ceremony was a testament to the enduring impact of former players and the continuity of excellence that defines the Racine Raiders.

As the Raiders look ahead to future seasons, their 2023 championship serves as a reminder of their resilience and adaptability. The move to the GDFL and subsequent success is indicative of a team that is not only steeped in tradition but also capable of thriving in new environments. The 2023 season will be remembered not only for the title it delivered but also for the affirmation of the Raiders' place at the pinnacle of semi-professional football.

# 2023 GDFL Gridiron Bowl XIV

## Racine Raiders 27, West Sound Rebels 18

The Racine Raiders joined the Gridiron Developmental Football League (GDFL), a league with 30 teams nationwide. The Raiders would go undefeated in the regular season, beating seven previously unbeaten teams. They beat six teams that made the championship of their leagues. By the end of the season, the Raiders had traveled more than 5,000 miles and beat teams representing 11 states plus the District of Columbia. The Raiders won the Xtreme Conference championship game by beating the defending national champion Syracuse Strong in New York. They then traveled to Landover, Maryland the next weekend and beat the Impact Conference champion West Sound Rebels, 27-19. The game was a back-and-forth affair until the final seven minutes when Racine kicker Alex Gonzalez would kick a field goal to take the lead and Racine would score a touchdown late to take a two-possession lead. Quarterback Andre Locke was named the game's most valuable player after rushing for two touchdowns and passing for one to Will Norwood. Raiders defensive lineman Niko Lemke was the defensive star of the game, collecting two solo sacks and two sack assists, and stopping the West Sound quarterback for no gain on a fourth down deep in Racine territory with less than 30 seconds to play in the game.
