NEW LEAGUE, NEW CHALLENGES IN 2026

The 2026 season opened last weekend at Burlington High School's Tony Romo Field, as the Raiders played a non-MWUF game against the Burlington Blue Demons. Yes, Burlington is also a member of the MWUF, but that contest does not count for league standings. Speaking of the Mid-West United Football league, Racine finds itself in a new league for the third time in four years after the previous decade being spend in the MSFL. Fans will recognize many of the Raiders peer organizations in this league however, including the Illinois Cowboys, Sheboygan Sabrecats, Midwest Renegades, River City Rough Riders, St. Paul Pioneers, the aforementioned Burlington Blue Devils, and more.

Wilbert Kennedy returns for his 14th season as Head Coach, and the roster is chock full of wily veterans, and young talent looking for a chance to shine. Team MVP from 2026, Corey Dalton returns in the defensive backfield along with Raiders Defense Player of the Year Gary Young, Jr. in the linebacker corps. Many returning starters are on the roster for the offense, including WR Joe Garcia, the 2025 PFA Tight End of the Year Bubba Rewolinski, and Sawyer Schick (QB) who took the reins late in 2025 and led the team to an upset victory over the Motor City Rams in the playoffs. Special teams stalwart Brady Wodack returns once again to handle punting and kicking duties for the Racine, which prides itself in that aspect of the game.

Dear Raiders Fans,

On behalf of the Racine Raiders Football Club, I would like to personally welcome you to the 2026 season of Racine Raiders football as we celebrate our home opener in a new league.

There is a tremendous sense of optimism as we begin our first season in the Mid-West United Football League. Our staff has worked tirelessly this offseason to build a roster that combines accomplished veterans with an exciting group of young, talented newcomers eager to represent the Raiders tradition with pride and determination. We believe this team reflects everything that has made Raiders football special for generations – toughness, commitment, discipline, and a passion for the game. Our veteran leadership provides stability and experience, while our newer players bring energy, speed, and enthusiasm that have already made a strong impression through six weeks of practice.

We are fortunate to have a coaching staff committed to preparing our players to reach the pinnacle of success. Their preparation, attention to detail, and passion for the Raiders organization continues a culture that our fans can be proud of. Additionally, our not-so-secret weapon is the leadership provided by Heach Coach Wilbert Kennedy and the expectations he sets for both players and coaches. Excellence is pursued, wins will result.

Behind the scenes, 100+ volunteers work to create the best experience for everyone who attends games. From gameday operations and concessions to ticketing, promotions, and community outreach, these individuals donate their time because they believe in Raiders football and the importance of providing affordable, family-friendly entertainment for our Southeast Wisconsin community.

In our 73rd year, we invite all of our loyal fans, alumni, sponsors, families, and supporters to join us at Historic Horlick Athletic Field. The incredible atmosphere that makes Raiders football so unique is a result of your energy, enthusiasm, and continued support. On behalf of the Raiders Board of Directors, I thank you all.

Sincerely,

G.A. Schick

Raiders Dominate in MWUF Debut Behind Carothers' Special Teams Heroics

By Robb Luehr

As Published in Racine County Eye May 3, 2026

BURLINGTON, WI — The Racine Raiders have a lot of new talent to show off this season, and one of them was particularly spectacular Saturday afternoon. First-year defensive back and return specialist Trevion Carothers returned two punts for touchdowns to spark a special-teams onslaught and lead the Raiders to a 54-0 preseason victory over the Burlington Blue Devils at Don Dalton Stadium at Burlington High School.

Veteran Corey Dalton set the table for the Raiders by returning the opening kickoff for a touchdown on Tony Romo Field in a game between teams in the Mid-West United Football League. It is the Raiders' first game in the league following three years in the Gridiron Developmental Football League.

“He had a nice day out there,” Raiders coach Wilbert Kennedy said of Carothers, a Park High School graduate who played football for North Dakota State College of Science. “He’s an exciting young man. Teams are going to have some issues because of our return game. Having him back there along with Corey Dalton, pick your poison where you want to kick it.”

Special teams dominate early

Special teams were a big part of the equation, but there was a lot more going on for the Raiders. Along with the three returns, they scored on two running plays, one pass, one pick-six and two field goals. They only needed a two-point

COMING IN 2027: CHAMPIONS' PLAZA at HORLICK FIELD

Due to a harsh winter, wet spring, and conflicting projects at Horlick Field the installation of Champions Plaza will begin Spring 2027. The project is possible due to a long-standing partnership between the City of Racine, Parks & Recreation Department, and Racine Raiders Football Club, Inc., we are proud to announce the establishment of "Champions Plaza" at Horlick Athletic Field. This memorial is dedicated to everyone who cherishes their memories as a competitor, coach, parent, or fan of the schools and organizations that have performed at "Historic" Horlick Athletic Field over its 100+ years of existence. Make sure you, your team, school, club, or family member is included in Champions Plaza by purchasing a commemorative brick. Bricks can be bought and engraved with team or individual names. These bricks will be seen by thousands of competitors, fans, and families every year as they enter and exit the HAF main entrance. Purchase a laser-engraved brick that will last for many years to come, and ensure your place in HISTORY!

For those with true school spirit, there is the ability to select an 8" x 8" gray brick with your school logo laser-engraved, and two lines of text. If you want a version of your brick for home as well as installed at Horlick Field, we provide that option too. Construction and delivery are tentatively scheduled for Spring 2026.

Bricks are sold on a first-come, first-served basis. Make your purchase today, as space is limited!

conversion, fumble return and safety to complete their bingo card.

Dalton was untouched as he took the opening kickoff 85 yards to the end zone. The excitement of that had barely begun to wear off when the Raiders forced a three-and-out by Burlington and Carothers took the punt back 61 yards for a score just over two minutes later.

Carothers admitted he actually forgot how the return was set up, but figured it out very quickly.

“Our call was to the right and I forgot all about the call when I caught the ball,” Carothers said. “So when I looked up, I saw all white jerseys. I looked to the right, I saw all black jerseys and I just went back to the right and got it done.”

His second return, of 63 yards, was a little tougher as he had to make a couple of cuts to avoid defenders, but he executed it well to score. He actually had another solid opportunity for another big return a little later, but he was told to go out of bounds to preserve the clock.

Veteran running back Tom Benko capped off the first-quarter scoring with a 2-yard run and it was 21-0.

There wasn't much offense for either team in the second quarter, but kicker Brady Wodack made a pair of field goals in the final 2:15. His first was from 40 yards and the second, following an interception by Alex Hartmann, was from 28 yards as time ran out in the first half.

Wodack had an impressive day to round out the special teams, making 6 of 7 extra point attempts (from the NFL distance of 33 yards) and 2 of 3 field goal tries.

“You say it every time for every football game, you have to win two of the three phases, and special teams is a huge part of the game,” starting quarterback Sawyer Schick said. “That’s what we take pride in as a team. We’re going to have the best special teams out there.”

The Blue Devils fumbled again on their next series and Geoffrey Mazur ran the ball to the Blue Devils' 2. After two more running plays lost seven yards, second-string quarterback Gavin Gutman had to scramble, but found backup receiver Lavantis Lewis in the front corner of the end zone for a 9-yard touchdown pass to make it 40-0 and trigger the running clock.

The Raiders rounded out their scoring with a 37-yard interception return by Elijah Meister late in the third quarter and Carothers' second punt return midway through the fourth.

Kennedy was pleased overall, especially considering the new talent on the roster. "It's a preseason game and you're just trying to see what you have and get guys looked at," Kennedy said. "And it's something new — you practice against each other and practice gets boring after a while. So it gives the guys an opportunity to get out there and play against somebody else at actual game speed. I saw a lot of good things and saw a lot of bad, but I liked the effort that the guys put out today. I thought our running game looked great. There were some things we saw that we have to definitely clean up that could cost us, but everything's fixable."

Defense shows promise despite lopsided score

The defense was led by a pair of linebackers. Veteran Gary Young Jr. had six solo tackles and eight total tackles, and first-year linebacker Gianni Scacco had three solos and seven total. Bruce Marshal Jr. and Winford Johnson had six tackles each.

Nate Harris, who was elevated from Burlington's defensive coordinator to head coach this season, saw some bright spots, but knows there's a learning curve. "It's a preseason game – everybody's still learning," Harris said. "It's their first game and our first game, and we're just getting it together. We had a few positive plays where guys were coming together and when they did come together, you saw the results of it. We had a few defensive stops and we moved the ball quite a few times. We didn't get in the end zone, but we did move the ball."

The Blue Devils had just 128 yards of total offense despite having an advantage in time of possession. Trevor York had 60 yards rushing and Drevion Thomas had six receptions for 54 yards.
